Kauvery SANGAMA 2025

Dear Kauverians,

It is with great joy and pride that I extend my heartfelt appreciation to everyone who made our Kauvery Sangama - Annual Sports & Cultural Fest 2025 a grand success. This event has always been a celebration of teamwork, passion, and the indomitable spirit that defines us at Kauvery Hospital. Sports not only promote physical fitness but also instill values of perseverance, discipline, and unity-qualities that are integral to our profession.

This year, we witnessed an overwhelming participation in various sports activities, from energetic relay races and football matches to indoor games that tested strategic thinking and agility. The enthusiasm and competitive spirit displayed by our doctors, nurses, and staff members were truly commendable. This Annual Day, we as Kauverians from Bangalore region came together to celebrate the yearly achievements and success.

During the Annual Day celebrations, we equally had an inspiring cultural performance from both the units of Bangalore region; Marathahalli and Electronic City, that showcased an immense talent within our Kauvery family. The stage came alive with mesmerizing dance performances, soulful musical renditions, and thought-provoking drama & skit. These moments of artistic expression remind us that healing is not just about medicine but also about nurturing the human spirit.

My sincere gratitude to our clinicians of both the units who made this annual day even more special and memorable. Clinicians brought the stage alive with their performances and enthusiasm.

As we celebrate these moments of joy every year, let us also take an ownership in carry forwarding the same energy, teamwork, and creativity into our daily work. Our commitment to excellence in healthcare is reflected not just in our professional achievements but also in the way we come together as a family to celebrate life beyond work.

A special thank you to the organizing committee of both the units, participants, and supporters who contributed to making this event a success. Let's continue this tradition of fostering a vibrant and dynamic workplace that values both well-being and culture.

Warm regards, **Dr. S. Vijayabaskaran**
